The Staff Development and Mindset Enhancement Program 2024

The Staff Development and Mindset Enhancement Program for FBM 2024 was held from May 23 to 25, 2024, at UiTM Branch Terengganu. This program, aimed at fostering esprit de corps among the administrative staff, was attended by 40 FBM administrators from Shah Alam and Puncak Alam. We extend our thanks to the Dean and the Management for providing the opportunity to carry out this program. We hope that the administrators will excel in their duties, maintain strong relationships, and effectively fulfil their responsibilities and trust in pursuit of FBM's excellence.
