ACKNOWLEDGEMENT

For the semester 2 students of Diploma in Plantation and Agriculture Technology, we are required to complete and submit our industrial training report for the subject FPA 210 Industrial Training. The subject FPA 210 Industrial Training must be taken by all students of Universiti Teknologi Mara (UiTM). This is to ensure that the students are able to gain knowledge and exposures in the field of practical.

First of all, we would like to thank God for all of His blessings. Without His blessings and consents, we will not be able to complete this industrial training report in the given duration. We are able to complete everything even there are some challenges that we had to faced. . Apart from that, we would like to express our gratitude to Miss Saiyidah Raffhanah Bt Basri , our Faculty Representative (Industrial Training) for the guidance throughout preparing for this industrial training report. She guide us by giving some suggestions, ideas, comments and information.

Next, we also would like to express our thanks to our families and friends for all the ideas shared and all the morale support during this training. Besides that, we would like to express our gratitude to all executives, staffs and workers of Unit Ladang UiTM Kampus Samarahan 1 for giving cooperating with us. All the data collected, forms and other appendices were from them. Without them, we could not finish our report on time.

Last but not least, million thanks to all team members for the great commitment and cooperation given while overcoming all problems and enduring all the difficulties during the preparation of this industrial training report. Without the coordinated team work, we will not be able to complete and submit this report on the given duration of time.
