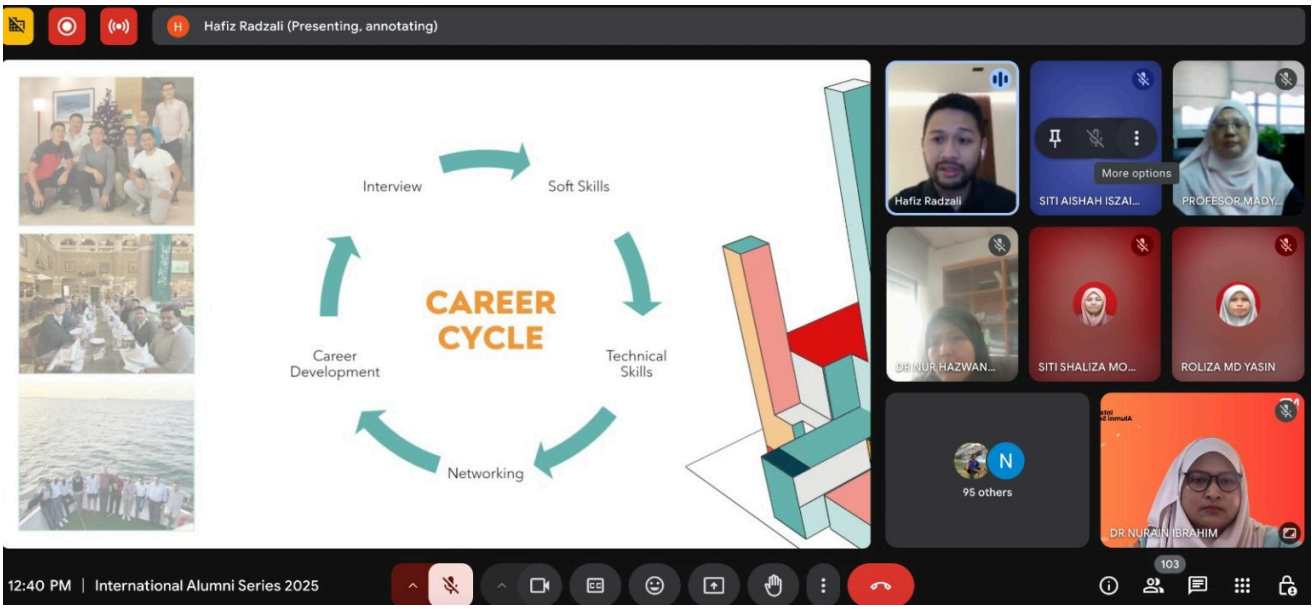
SHAH ALAM, 6th May 2025 – The Office of Industry, Community and Alumni Network (ICAN), College of Computing, Informatics and Mathematics (KPPIM), (now known as the Fakulti Sains Komputer dan Matematik) Universiti Teknologi MARA (UiTM) Shah Alam, proudly hosted the International Alumni Series 2025 on 16 April 2025 through the Google Meet platform. The objective of this program is to strengthen the global alumni networks and enhance collaboration between the university and its alumni. This series also aimed to motivate and inspire both UiTM students and staff.

This program, which began in 2023, is a talk series initiative featuring UiTM alumni who have built successful careers abroad. In 2023, the series featured an alumnus from Sweden. In the following year, 2024, the program welcomed three alumni from the United Kingdom, Singapore and Ireland to share their journeys. In continuation, in 2025, the Series 1 proudly featured Mr. Mohd Hafiz bin Mohd Radzali, graduate of the Diploma in Quantitative Science program at Universiti Teknologi MARA (UiTM) who is currently working as Manager of Network Operations at Folk Maritime, Riyadh, Saudi Arabia.



The talk, entitled *"From Malaysia to Saudi Arabia: A Journey of Personal and Professional Growth – The Do's and Don'ts,"* was conducted virtually from 7:15 AM to 8:30 AM (Saudi Arabia Time) / 12:15 PM to 1:30 PM (Malaysia Time). During the session, Mr. Hafiz began by sharing reflections on his early experiences in Malaysia, encompassing his education and early steps into the working world. Furthermore, he emphasized the importance of cultural adaptability, effective networking and developing a strong personal brand that reflects our values, strengths and unique qualities. This program has consistently received positive feedback from participants, as it not only offers practical advice and inspiration but also serves as a platform to gather alumni insights that align with current industry needs.
