ACKNOWLEDGEMENT

First of all, I am grateful to the Almighty Allah for establishing to complete this Industrial Training.

I wish to express my thanks to Mr. Choo Yee Ching, Estate Manager of Samarahan Plantations Sendirian Berhad, for accepting my colleagues and I to complete our Industrial Training and for providing me with all the necessary facilities.

I am very much thankful to the management of my attachment estate, (Samarahan Plantation), Mr. Choo Yee Ching (Estate Manager), Mr. Mambai ak Ijau (Assistant Manager) for their valuable knowledge, guidance and support during my training period

I place on record, my sincere gratitude to all staff especially Mr. Edwin Kasa, Mr. Borhan bin Mail, Mr. Nuli ak Buja., (Field Supervisor), Mr, Hendry Misan ak Minjot (Chief Clerk), Mdm. Rabiah binti Markosen and Mdm. Lai Hui Khin (Account Clerk) and other staff for their encouragement and guidance for me in order to complete my training.

I also thank to Mr. Mohamad Syukrie bin Abu Talip (Lecturer, Diploma in Planting Industry and Management). I am extremely grateful and indebted to him for his sincere and valuable guidance and encouragement extended to me.

I take this opportunity to record my sincere thanks to all my colleagues for their help and encouragement. In this opportunity, I also thank my parents and family for their unceasing encouragement and support.

Lastly, I place on record my deep sense of gratitude to one and all who directly and indirectly, have lent their helping hand for me in order to complete my Industrial Training that is located at Samarahan Plantation Sendirian Berhad also known as Samarahan Estate.

CHAPTER 1 : INTRODUCTION TO INDUSTRIAL TRAINING

1.1 INTRODUCTION

In order to complete my studies in Diploma In Planting Industry and Management at University Teknologi Mara (UiTM), it was compulsory to undergo this course practical and industriaL training, which require us to explore and experience the real working environment at the estate. I have decided to choose Samarahan Plantation Sendirian Berhad as my practical training place as the authority has become one of the well-known authorities in estate in Sarawak.

1.1.1 Objective of the Industrial Training Programme

It is compulsory for college student to pass the industrial training before being awarded the Diploma in Planting in Industry and Management. Student will be attached to the Government Department. Organization or Companies for a specific period of time, to be exposed to the actual working environment whereby student will encounter many new problem and challenges. There are several specific industrial training programme objectives :

a) To enhance the student knowledge and skills.
b) To expose student to actual working environment.
c) To instill the qualities, responsibilities and self-confidence.
d) To expose student to safety practices and regulations in an industry.
e) To instill the spirit of teamwork and good relationship between students and fellow workers.
f) To assess the student ability and competency in their preparations to join the workforce upon completion of their studies at college

CHAPTER 2 : BACKGROUND OF SAMARAHAN PLANTATION

2.1 INTRODUCTION TO SAMARAHAN PLANTATION

Samarahan Plantation Sendirian Berhad is also known as Samarahan Estate is officially as a Private Limited Company on 15 January 1964. The company has established a lot their history that develop themselves. The oil palm planting to effort their productive those make their own profit increase in Sarawak economy. Before they established the Samarahan Plantation Limited at the same location, the Samarahan Rubber estate also cultivates at the same place. This because in 1961, they have to export their rubber planting to Kuching has increase in the amount 89.3 million. The rubber planting is majority cultivated by Mr. Shosuke (Japanese) since before the inhabiting Japanese on the year 1910.

However, due to the decreases of the rubber prices, bring into being Samarahan Rubber estate cannot to survive and eventually sold to the private own of the Company Samarahan Plantation Sendirian Berhad that still exist now. Consequently, the establishment of the company Samarahan Plantation is one of the most important economic assets to economic development in Kuching.
