Acknowledgement

First and foremost, we greatest thanks to God. Alhamdulillah ....although we had a lot of difficulties in preparing and finishing this task, finally we did it.

We would like to thank to our favorite lecturer En. Mohamed Husny for imparting his knowledge and assisting us in this assignment. He also helps us when we have a problem and always good advice how to prepare a good business plan. This business plan couldn’t been completed without his guidance and advise.

We would like to say thank you to all friends who give us moral support, suggestion, advice and so on. They are very helpful and relieved the tedium of visiting the various skills.

Also no forgotten, our beloved parent that give us a lot of support and keep telling us to done the job.

Last but not least, thousand of thank you to those who does involved in the making of this business plan.
