INTRODUCTION OF BUSINESS PLAN

OCEAN CLEAN LAUNDRY

Laundry is the place where people need clothes cleaning service, aged between 18 – 45 years old. We decide to choose this business because nowadays there are a lot of working people, maybe even students that seem not to have so much time to do laundry. So, laundry is the right choice to send their clothes by disburden them to having great days especially during office hour.

Aiming to improve the society lifestyle, we decided to open a new laundry at Section 7, Shah Alam that already provides washing clothes and dry cleaning service. In order to realize this vision, OCEAN CLEAN exists.

OCEAN CLEAN is located at:

NO 33, JALAN KRISTAL 7/6,
SEKSYEN 7
40800 SHAH ALAM
SELANGOR DARUL EHSAN.

We choose the location at the corner so it's like a space for every people who can straightly see our laundry before other shops. Our business will start on 1st January 2006.

Our main target is working parents, working adults and students. Since section 7 is a new housing area, so we do not need to compete with other laundry that located at the neighbourhood.

We expected that we are the first to run this kind of business in the area. We suppose that most of our target customers will send us their laundry bags and that will accumulate high profit.
