A C K N O W L E D G E M E N T

I would like to take this opportunity to give my utmost gratitude to Encik Johari Baharuddin the Personnel Manager of Rothmans Of Pall Mall (Malaysia) Bhd. for giving a warm welcome for me to do my individual attachment in Rothmans of Pall Mall (Malaysia) Sdn.Bhd.

Special thanks for Miss Hezzimon Abd.Hamid the Personnel Officer of Rothmans of Pall Mall (Malaysia) Sdn.Bhd. for giving me such a wonderful treatment and knowledge of the company manufacturing process right from the beginning until the final stage.

I also would like to express my deep indebtedness to En.Hamid, En.Osman, En.Wafa, En.Tajuddin, Madam Gan and all the Rothmans staffs whom without them I may not be able to finish my thesis.

Last but not least, a warm thank you to Puan Rohani, my advisor, whom without her help and guidance, I probably have some difficulties to finish this Graduation Exercise. MAY GOD BLESS ALL OF YOU.

A B S T R A C T

The idea of doing this thesis on inventory control and distribution planning arise when thinking of how much important of these two Physical Distribution mix in today modern materials.

The need to have an expertise Distribution managers that can handled responsibility and ability to think of how to control their stock in hand and searching for market competition has come to as a must for every manufacturing companies.

I would be very glad if this thesis on the subject mentioned would help Rothmans of Pall Mall (Malaysia) Sdn.Bhd. to improve its inventory control and distribution planning.
