ACKNOWLEDGEMENT

First and foremost, I would like to pay my gratitude to Allah s.w.t for giving me the strength to be able to complete this research paper

A special thanks to my supervisor, Pn Norizan Mat Diah for all her patient, dedications, and guidance. She has also been contributing so many ideas for this research in order to make it complete. This research cannot be completed without her support and encouragement

I would like also to show my appreciation to my parent who always pray and support me. Without their prayers and support, I would not make this far.

Finally thanks and a warm appreciation goes to all those people who have actively support and inspiring me during the working on this research. Thanks you very much.
