ACKNOWLEDGEMENT

Alhamdulillah...

First of all, thank to Allah SWT for giving me the opportunity to complete this research – **A Case Study: The Readiness of Perpustakaan Tun Abdul Razak in Positioning towards Digital Library.**

Thanks to Mdm. Dang Merduwati bt. Hashim for her advice and guidance in completing this research. My deepest appreciation to her, who patiently deals with my attitudes and behaviors during one semester together. In addition, I also thankful with her useful advice, consultation, and suggestions in ensure myself to produce the best outcome.

I also would like to give credit to my classmates who together teach, giving ideas and discuss on the topic in completing this research. Thanks a lot to their cooperation and ideas during the semester.

Not forget my deepest thanks to my beloved parent and family for their fully support in my study. Without their love, appreciation, MOTIVATION and sacrifice on me, may I'm not at the level that I achieve today.

Lastly, I would like to thank everybody who giving cooperation and helping me directly or indirectly in completing this research. May Allah SWT bless you all.

Thank you.

.....

ABSTRACT

This research that been conducted to know the perception of library user on the Perpustakaan Tun Abdul Razak Puncak Perdana services and facilities and the readiness of the Perpustakaan Tun Abdul Razak Puncak Perdana in positioning towards digital library environment that focusing on the student from UiTM Puncak Perdana.

There is three aspect that been discuss in this research that is the student perception on the digital library services and facilities provided by PTAR Puncak Perdana, the awareness of student in the UiTM Puncak Perdana on the digital library scenario and lastly focusing on the PTAR Puncak Perdana itself, that is about the skills and competencies needed for library staff towards positioning to digital library.

100 respondents has been choose randomly from three faculty in UiTM Puncak Perdana that is 40 respondents from Faculty of Information management, 30 respondents from Faculty of Mass Communication and 30 respondents from Faculty of Technology Creative and Artistic.

From the survey we can conclude that among three faculties in the UiTM puncak Perdana, students from Faculty of Technology Creative and Artistic is the lowest user of PTAR's digital library and Student from Faculty of Information Management is the highest user of PTAR's digital library.
