ABSTRACT

This study is to determine the significant relationship of IT Resources to employee job performance in SAJ Holdings Sdn. Bhd. Kluang Agency Office. The paper examined the significant relationship of IT resource, which are IT Application, IT Infrastructure and IT Knowledge to the employee job performance in SAJH Kluang Agency Office. This study used samples by way of distributing questionnaire using Likert Scale format questions in gathering information from respondents who are employees of SAJH Kluang Agency Office. The finding of this study revealed that there is positive significant relationship between IT Resources and employee job performance.

ACKNOWLEDGEMENT

ASSALAMUALAIKUM Wbt....

Alhamdulillah..Syukur..We thank Allah S.W.T.because with His mercy we able to complete our project paper to fulfill the requirements of the Research Methods courses.This project paper could not have been written without the assistance and guidance of Sir Sulaiman Bin Mahzan who not only served as our supervisor but also encouraged and challenged us throughout our academic program. I am blessed to have both parents who have been the source of inspiration, En. Asaari Bin Saad and Pn.FaredahBintiMohdNoor.I thank them all. Foremost I wish to express my gratitude to everyone for I have successfully completed my research project paper 2013 at SAJ HoldingsSdn. Bhd. Kluang Agency Office with patience, diligence, confidence, prayers and much joy.I also wish to thank En. MohdZani Bin Paimon, the Agency Head of Kluang SAJH Agency Office for having provided all the needs and necessities during my research project during research project. I also wish to thank En.Kosnan, En. Azhar,En. MohdRamly Bin Ismail, Hj.AbdulJalil Bin Ismail for monitoring and assisting me in carrying out my tasks and responsibilitiesalso giving me support with new experiences and coaching me.Finally, I wish to express millions of thanks to everyone in the Agency Office for giving me opportunity to be in SAJH Kluang as a tralnee and for providing very conducive working environment directly and indirectly also allowing to carry out my research at SAJH. I sincerely hope that all the experiences and memories that I gained will be useful and beneficial to my future working life and success to my final year project. May Allah S.W.T bless all of you.
