ABSTRACT

This Diploma level Interior Design final project is towards student understanding about the interior design project's whole aspect that had been studied from the basic level until the design proposal presentation. The selected final project is a Proposed new interior design for ct-one force cafe at no 122 Jalan Sultan Abdul Jalil, Greentown 30450 Ipoh Perak Darul Ridzuan. That is the theme restaurant that highlight the concept of military lifestyle. the concept and image is apply to both interior and exterior. With the outcome of the restaurant, it could uphold the forces as a fighter and help existing efforts in the appreciation recognition, and public awareness to the sacrifice of military and their community. There were several researches done to succeed this restaurant project, amongst the, are site analysis, building analysis, interview, observation and case studies. All these studies have a purpose of identifying the existing weaknesses and also attempt to solve of the problem that appear.

INTRODUCTION

1.1 INTRODUCTION

Proposed a new interior design for CT – ONE FORZE café with used a military concept is a new idea in Malaysia, because it is a first café that highlight the concept of the military in Malaysia and the CT – ONE FORZE can provide variations in the environments. The existence of this café, it could uphold the forces as a fighter and help existing efforts in the appreciation recognition, and public awareness to the scarification of military and their community. I definitely choose to proposed New Interior Design for CT- ONE FORZE café at No122 Jalan Persiaran Sultan Abdul Jalil, 30450 Ipoh, Perak Darul Ridzuan
