ABSTRACT

Purpose of this study is to investigate the factors that contribute to the effective knowledge sharing behaviors among students from Bachelor of Science Library & Information Management (Hons) (IM220/IM224) in UiTM Kedah. The result of this study will improve the knowledge sharing especially among students from Bachelor of Science Library & Information Management (Hons) (IM220/IM224) in UiTM Kedah. Besides, the result of this study also can inform the students about the behaviors such as self-efficacy, reward and reciprocity that contribute to the effective knowledge sharing.

Keyword: *Knowledge sharing, Knowledge sharing behaviors, Bachelor of Science Library & Information Management (Hons) (IM220/IM224), self-efficacy, reward, reciprocity.*
