## **ABSTRACT**

This paper aims to identify the role of YaPEIM developing on entrepreneur in Kuala Lumpur. The objective of this study is to determine the role of YaPEIM to public, secondly to identify the role of YaPEIM in developing on entrepreneurs in Kuala Lumpur, and lastly to obtain the data and information of entrepreneurs. Eight of entrepreneur from Kuala Lumpur became the sample study and the entrepreneur we interview is one of successful business. The finding show that entrepreneurs in Kuala Lumpur can be successful whitout making a loan with any bank to start a business and then have to pay with much interest. Ar-Rahnu YaPEIM helps entrepreneurs acquire capital whithout debt and has the opportunity to earn lucrative income without any debt. Hopefully withwith this study people will choose Ar-Rahnu as the main place to find capital to start a business because it is easier and safer.
