ABSTRACT

Nowadays, *zakat* practise had became one of the compulsory tradition in life of Muslim society in Malaysia. Because of this, there are a lot of *zakat* institution that had been establish in each state of Malaysia to play the role of *zakat* collection and distribution. According to the role of Zakat Pulau Pinang (ZPP) in distributing *zakat* to *asnaf* in Pulau Pinang, this research is conducted to find out the impact of *zakat* distribution to *asnaf* in one of Pulau Pinang area which is Kepala Batas. This research had been conducted by qualitative method such as interview session to collect the data and answer this research purpose. The interview session had been participate by eight *asnaf* in Kepala Batas which receive a variety form of *zakat* such as business *zakat*, financial *zakat*, medical *zakat* and education *zakat*. After the data collection process was done, it had been analysed and the result had been recorded systematically. From the data that had been analyse, a lot of impact according to *asnaf* had been found. Besides that, the recommendation also been discussed in this research as a reference to improve *zakat* distribution process in Kepala Batas, Pulau Pinang.

Keywords: Zakat, distribution, *asnaf*, impact, ZPP
