ACKNOWLEDGEMENT

First, we would like to thank to Universiti Teknologi Mara (UiTM) because of providing this subject, Fundamentals of Entrepreneurship program code ENT300 to give an opportunity for preparing this business plan and learning the theories relating to the entrepreneurship. We are also thankful to Madam Noranita Abdamia, Lecturer of Fundamentals of Entrepreneurship because of helping us with lectures and motivates us this project. We would like to acknowledge her valuable guidance and support that motivated us to contribute tremendously to this project. This project also depends on the encouragement and guidelines of many others. So, we would like to take this opportunity to thank all of them who have helped us through this report.

We conducted a research on the playground service and product and via this research we have been able to envision ourselves with our idea regarding the scope and challenges of business opportunities in Malaysia. We believe that it will really help us get our dreams come true in the near future.

We also gained many experiences when do this project to help us becomes entrepreneur in the future. Besides that, it realizes us the vital of business in engineering world especially Civil Engineering world. We realize too, this project had taught us a lot of good value that occurs during do this project.

Last but not least, we thank too friends that give supports when needed and not forget to society enough help us to do some survey.

Thank You.
