ACKNOWLEDGMENT

Bismillahirrahmanirrahim

Alhamdulillah, Thanks to Allah The Greatest, for His graces and blessing in giving me full strength to complete this “NSB Global Enterprise Blueprint” task. Even facing with some difficulties in completing this task such as not good in accessing the internet but I still managed to complete this task.

Firstly, I would like to express my sincere gratitude to my lecture, Wan Masnieza bt Wan Mustafa for the continues support of this task, also for her patience, motivation, enthusiasm and immerse knowledge. Her guidance is helpful to me in the process of this task and writing a good report. I also would like to simply express my deepest appreciation to all those who have provided us with opportunity to complete the study. Special gratitude we give to our parents who contribute in money supply on moral support to coordinate until finish this report.

Then, thanks to all the friend whose give and invest their full effort in helping me achieving the goal. Grateful acknowledgment to all fellow friends who never give up in giving their support to me in all aspect of life. Thank you so much my friends, I will never forget all your kindness.

Thanks
