## **ACKNOWLEDGEMENT**

In the name of Allah, Most Beneficent and Most Merciful. Praise to Allah (SWT) for granting us with great motivation, health and emotional support in order to complete this case study report for subject Technology Entrepreneurship (ENT600).

Firstly, I would like to thank my lecturer, Madam Azzah binti Amran for her guidance and advice which motivate us to complete this report. She inspired me with her motivation and also provided the previous sample reports from the seniors for my reference. Her willingness to guide and help me showing that without her help, I may not able to complete this case study report.

In addition, a big thank goes to University of Technology MARA for equipping the students with good environment and facilities. Furthermore, I would like to thank Faculty Computer and Mathematical Sciences of UiTM for giving me the golden opportunity by offering this subject which it allows me to learn about the process and characteristics needed to be a successful entrepreneur.

Besides, I would like to express my special thanks the owner of the Air Terjun Laundry, Encik Soleh for his kindness in helping me to answer all of my questions regarding his laundry company in the process of completing this report. The purpose of choosing Air Terjun Laundry as my topic is because I want to explore how Encik Soleh make profit through his laundry business.

Last but not least, I am thankful to my lovely family members and friends for their continuously supports and understandings. I will go through many obstacles to finish this case study report without them.
