## ACKNOWLEDGEMENT

In the name of Allah, the Most Gracious and the Most Merciful

Alhamdulillah, all praise to Allah S.W.T the Almighty, for giving the opportunity, determination, strengths, and His blessing in completing this assignment successfully.

Now, I would like to thank and express my deep and sincere gratitude to Madam Azzah Binti Amran, my lecturer for subject Technology Entrepreneurship (ENT600) who has supported me throughout the assignment with her patience and giving me a good guideline with numerous consultations. I appreciate all her contributions of time, support, and ideas.

In my daily work, I have been blessed with a friendly and cheerful group of friends. Special thanks to all my colleagues and friends for sharing the literature and made valuable suggestions on this assignment which inspire me to improve my assignment.

I owe everything to my family who encouraged and helped me at every stage of my personal and academic life. Their love, encouragement, and continuous pray have made me stronger every day completing this assignment.

Finally, I would like to thank everybody for their help directly and indirectly to complete my proposal, as well as expressing my apology that I could not mention personally one by one.
