ACKNOWLEDGEMENT

First of all, I would like to express my deepest appreciation to all those who provided me the possibility to complete this report. A special gratitude to my dedicated lecturer, Madam Wan Masnieza Binti Wan Mustapha for her comments, guidance and advice in the preparation of this report. I am also grateful to my family, friends and colleagues for their patience and cooperation during the entire report making process.

In addition, I would like to express my gratitude to the staff of Bukit Bunga Crystal Ice Sdn Bhd for their cooperation and willingness to be interviewed and also give the permission to use the company's information to complete this case study project.

Last but not least, a special thanks goes to members who gave a full of cooperation in expressing ideas in completing this report.

Thank you.
