ACKNOWLEDGEMENT

In preparation of my business , I had to take the help and guidance of some respected persons, who deserve my deepest gratitude. As the completion of this assignment gave me much pleasure, I would like to show my sir Mohd Zaim ~~Binti~~ Mohd Salleh, as lecture Entrepreneur in Uitm Puncak Alam for giving me a good guidelines for assignment form the beggining until end. I would also like to expand my gratitude to all those who have directly and indirectly guided me in writing this assignment.

In addition, a thank you to sir Zaim , for introduced and teach me about the subject of entrepenuer. Along the studies a lots of experience and knowlegde I got. Many people, especially my classmates have made valuable comment suggestions on my paper which gave me an inspiration to improve the quality of the assignment.

We are really grateful because we managed to complete this assignment within the time given by sir Zaim. This assignment cannot be completed without the effort and co-operation from others friend . Last but not least, I would like to express our gratitude to our friends and respondents for support and willingness to spend some time with us.

EXECUTIVE SUMMARY

This project are for subject Entrepreneurship which is all the student should take this course once in whole semester studies at Uitm. This course are basically teach student the ways how to invovled in business life. Every student need to take part and this course are compulsory for everyone. Besides that, every student need to create their own business in individually. Every lecture need to lecture this course from the begining until the end of step and this is also have a mark for student in final.

All student need put their effort to make their own business which is need to follow the rules and regulation. Before start their busienss, students need to do a registration SSM. This is compulsory to every student and every people out there before start do a business. Besides that, from this lesson student also can practice and get more knowledge about business. This is also can train student how to manage thier time properly along run a business.

The main objective for this course is to makesure every student can organize their own business and also can get into more details about that. Lastly, this is can help student to build more confident while deal with peoples out there. Student also can learnt what meaning of patient actually at the end of lesson.
