1.1 INTRODUCTION OF BUSINESS PLAN

The business plan of NAIZO CAFÉ is proposed so that it can be undertaken comprehensive manner. The business plan gives opportunity for us to access the business in the future. We had decided a partnership business which provides to sell roti canai in the premises. The business is n form of enterprise which consists of four shareholders.

All shareholders had agreed as stated in agreement letter which the amount of capital, profit and loss will divided as ratio. We had chosen this kind of business it shows the equality and no one will be discriminated as the profits and losses are equally divided in the end of the accounting period.

In other way, the partnership is a perfect option to be taken because the shareholders will always sharing ideas and knowledge in order to gain profit and also achieve high productive time to time. Partnership also responsible to manage the organization to become more detail and know the job they need to do in the future.
