ii. Acknowledgement

First of all, I am grateful that I am able to complete this assignment. This assignment could not have been possible without the support and help of so many people.

I would like to express my sincere gratitude to my lecturer Mr. Mohammad Zaim Bin Mohd Salleh for providing his invaluable guidance, comments and suggestions throughout numerous consultations.

In addition, I would like to thank to my family especially my beloved parents who shared their support either morally, financially and physically. I would also like to give my big thanks to my classmates who have made suggestions on this project which help me to improve this assignment.

Finally, I am highly indebted to those who participate in my assignment project. My completion of this assignment could not have been accomplished without the people who are directly and indirectly helped in developing the assignment.

iii. Executive Summary

Our company start commence our business in 2019 at Kampung Gelong Gajah Kuala Terengganu where it is a strategic location to do a business as it is near to tourist attraction.

Our product which is a palazzo pants are long women's trousers cut with a loose, extremely wide leg that flares out from the waist. The material that we use in making the pants is Cotton Blend. Cotton Blend is a fabric that is made up of cotton and polyester fibers. It is durable and less prone to wrinkling. It can help the girls especially students get a quick dress up when they are late for class and also save their energy as they do not have to iron the pants.

Furthermore, we provide free delivery services to their houses for our customers who are staying in UiTM Puncak Alam so that we can provide maximum satisfaction and convenience to our customers. We also offer affordable price for our customer and give a promotion price when it is on sale.
