MUE756: DISSERTATION

Course Name (English)	DISSERTATION APPROVED		
Course Code	MUE756		
MQF Credit	9		
Course Description	This course provides students with the opportunity to conduct a research project based on the research proposal developed in the Research in Music Education class. Through discussions and supervision sessions students will refine their research problem, research questions and objectives, review relevant literature, implement appropriate research methods and conduct data collection using good ethical practices. A report written in an acceptable academic and referencing style is expected at the end of the project, where a presentation of their study is to be shared with an audience comprising their supervisor, other faculty members and their peers.		
Transferable Skills	Demonstrate ability to apply creative, imaginative and innovative thinking and ideas to problem solving.		
Teaching Methodologies	Reading Activity, Presentation, Self-directed Learning, Supervision		
CLO	CLO1 Formulate research problems, objectives, research questions and conduct data collection and analysis using good ethical practices CLO2 Produce a report of the research project written in the approved academic style and format CLO3 Collate and report research findings in a verbal presentation to peers and faculty members		
Pre-Requisite Courses	No course recommendations
