ACKNOWLEDGEMENT

First and foremost, my gratitude to the Almighty for His blessing and for giving me strength to complete this project paper. I also wish to express my sincere appreciation to all the people who assist me from the beginning to the end of this graduation exercise.

I am extremely grateful to all the quality professionals especially Dr. Firdaus Abdullah as my first advisor and Encik Awang Rozaimi as my second examiner who have provided valuable advice, feedback and suggestion from the beginning until the completion of this report. Many people deserve special thanks, particularly my State Business Manager of Sarawak Pn. Sharifah Marshitah who has assisted me a lot at TM Berhad.

My special thanks also goes to my colleagues at TM Point Batu Lintang, TM Point Miri, TM Point Padang Merdeka, TM Point Pending and TM Point Bintulu for precious support and full cooperation during my coursework especially in giving the relevant information needed for this report. Not forgetting the entire Customer Retention and Consumer Sales sales group of Telekom Malaysia Bhd. and others who have exposed me to the challenges in the real market and the business environment.

I would like to express my appreciation and thanks both my parents, Encik Gibson and Puan Catherine for the prayer support, encouragement, precious advice and words of motivation. Last but not least, I would like to thank those individuals especially my classmates and friends for great ideas and assistance upon the completion of this project paper.

Thank you very much

FADLY GIBSON
