Hiking Program Organized by the Office of Deputy Vice-Chancellor (Research & Innovation) Welfare Club

Published on 19/02/2024

17th February 2024 | The Office of Deputy Vice-Chancellor (Research & Innovation) Welfare Club organized a hiking activity located at Sungai Chiling, Kuala Kubu Bharu, Selangor Darul Ehsan. This program attracted the interest of 51 participants consisting of club members, non-members, and families.

The program ran smoothly while providing many benefits to participants in terms of health aspects, fostering teamwork, and strengthening camaraderie among colleagues. Breathing in fresh and cool air far from urban pollution could be felt throughout the journey to the peak where participants had to cross four (4) rivers filled with fish and swift currents and had the opportunity to enjoy the beauty of various flora and fauna. On average, participants provided very positive feedback and hoped to organize this program regularly.
