Universiti Teknologi MARA

// DEPUTY VICE-CHANCELLOR FOREWORD

Prof. Ts. Dr. Norazah Abd Rahman
Deputy Vice-Chancellor
(Research & Innovation) UiTM

**Assalamualaikum Warahmatullahi
Wabarakatuh & Hello readers!**

With deep gratitude and appreciation, we are thrilled to present our second edition our *Research News*. As Deputy Vice Chancellor (Research & Innovation), I am honoured to share this compilation of the remarkable endeavours and achievements that have marked our journey so far. It brings me immense joy to celebrate this milestone, highlighting another significant step in our mission to capture success and foster innovation.

Research and innovation are the cornerstones of progress, capable of inspiring and benefiting future developments in our society. This *Research News* stands as a testament to our unwavering commitment to advancing knowledge and making meaningful contributions to UiTM and the broader community.

Within these pages, you will find a comprehensive overview of the diverse programs and activities spearheaded by our office. From groundbreaking research initiatives to collaborative partnerships, each endeavour reflects our dedication to excellence and our collective pursuit of academic and societal impact.

Moreover, this *Research News* celebrates the outstanding individuals who have contributed to our success. Through awards, accolades, and transformative discoveries, their stories inspire us to reach new heights and push the boundaries of possibility.

As we embark on this journey together, I extend my heartfelt gratitude to all who have played a part in bringing this *Research News* to life. Your passion, creativity, and perseverance are the driving forces behind our shared vision for a brighter future through research and innovation.

I encourage you to explore the pages that follow, immersing yourself in the vibrant tapestry of ideas and achievements that define our academic community. Together, let us continue to push the boundaries of knowledge, inspire positive change, and shape a better world for generations to come.
