**Final Project Submitted in Partial Fulfillment for the
Diploma in Wood Industries, Faculty of Applied Science,
Universiti Teknologi MARA**

August 2002

ACKNOWLEDGEMENTS

Alhamdulillah. Firstly, I would like say thank to Allah s.w.t. for His blessing me and give me opportunity to complete my final project.

I would like to express my deepest appreciation sincere gratitude to my advisor, Cik Norhafizah Rosman for her encouragement and guidance in designing and implementing this project.

Sincere thanks are also due to Assoc. Prof. Dr. Jamaludin Kassim, Program Head of Diploma Industry Perkayuan, UiTM Pahang, for kindly extending all facilities and cooperation given during the course of study.

Last but not least, thanks are also due to my beloved parents and for their moral and financial support throughout the year's study. For En Muhamad Nazri Zaili, staff from MTIB North Region, I would like say thanks for everything. To all my friend, thanks and may Allah bless you all.

ABSTRACT

THE EXPORT DEVELOPMENT OF RUBBERWOOD FURNITURE IN MALAYSIA

BY

FATMAZUHRA BT KHAIRULDIN

AUGUST 2002

Rubber trees have traditionally played an important role in the life of our people. Particularly those latex rubber has been used to produce tyres, gloves and others product. Formerly, the rubber trees not only use to produces this product, but also used to produce beautiful furniture. The rubberwood industry has also developed into a modern multi-million dollar industry with its product enjoying very high demand domestically as well as internationally.
