AUGUST 2002

Nowadays, the achievements of Bumiputra entrepreneur are not too good. Meanwhile it is so said to say about the achievement and did not real the target that had been built since 1970's.

Although before the economy had become convalesce, many new step had been introduced, all of this are involved under the structure renovation to make correction for so unbalanced in the economy and the liberal step to diffused the economy from several extra rules for the private sector.
