Alhamdulillah...

First at all, thanks to The Almighty ALLAH S.W.T because of Him I can finish and complete my project paper. To my advisor, Miss Norhafizah, thanks a lot because want to teach and guide me to the all work that I have done for this paper. Lot of thanks also to Prof. Madya Abdul Jalil bin Ahmad because of his lecture, I have getting the ideas in completing this project paper. I also like to extend my appreciation to the Librarian in Al-Bukhari Library,UiTM Jengka,Pahang because provide the books and also to university because provide computers for my research. Thanks also to those who involved either directly or not in completing my final paper project.

Without helps from all of you, sure I cannot finish my work easily.

Thanks for everything you have done for me.

May God bless all of us.

Amin...

## **ABSTRACT**

### **EXPORT OF WOODEN FURNITURE BY MALAYSIA (2000-2003)**

October 2004

This paper project is covered about the export of Malaysian wooden furniture beginning on the year 2000 to 2003. The some of the ASEAN country were selected randomly based on the country that being members with Malaysia in import and export trade involved furniture. The main reason for this paper project is to determine the factors that are influences in either increase or decrease the value of the export. This research is much refers on the Internet and also the wood magazine, Malaysia Timber Bulletin and MASKAYU and also the data that has been published by MATRADE, MTIB and MTC.
