## ACKNOWLEDGEMENT

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allah, I started my tasks with Assalamualaikum and Alhamdulillah. Greatful to Allah SWT because blessing and favoring me to completed and finished this project paper. This project was treated and arranged, so that it easy to used as sources of mention which comprehensive to increasing the understanding or other true cases to use as support sources to the topic in this project.

Before this project paper was finish, I had through many of hurdle. Where I haven't money enough to suffer the cost of this quality paper and also print cost. When the times to submit this paper are coming, my project havens many of mistaken. So I needed to print it again, however I were loosed all of my article copies. I want to take time to recording my words to all sites that entangled in efforts to producing of this project.

Comment, admonition, and opinions that given are more helped me to exquisite the contains content in this project. I confess that this project is might not perfect that hopped. I would like to say a lot of thanks to Pn. Norhafizah as my Advisor and also to my family where was giving a lot of support. I'm appreciates that!!
