# Preface

It is with great pleasure and pride that I present to you Voice of The Soul Volume III: A poetry compilation with the theme of Healing With Poetry. This volume is a testament to the power of words to heal, comfort, and transform. The 200 poems contained within these pages are diverse in theme and style, yet they are united by a common purpose which is to offer relief and insight during times of struggle and to celebrate the flexibility of the human spirit.

As the chief editor, I have had the honour of curating and refining these works, ensuring that each poem resonates with the theme of healing. This journey has been a deeply enriching experience, allowing me to witness the myriad ways in which poets can articulate pain, joy, hope, and recovery. Each contributor has poured their heart and soul into their verses, creating a tapestry of emotions and reflections that will undoubtedly touch every reader.

This compilation would not have been possible without the unwavering support and collaboration of many individuals. I extend my heartfelt gratitude to our dedicated team of editors, who meticulously reviewed each submission, and to the poets whose bravery and creativity have brought this project to life. Special thanks are also due to our publishing team for their hard work in bringing this volume to fruition.

Healing With Poetry is more than just a collection of poems; it is a journey through the human experience, offering a beacon of light for those navigating the darker times. It is my hope that these poems will provide you with the same comfort and inspiration that they have given me.

Thank you for joining us on this journey of healing and self-discovery.

Warm regards,  
Editor- in - Chief  
**Sharina Sa'ad**

# JOURNEY OF THE LOST ANGELS OF WAR

By : Angayar Kanni Ramaiah

The puzzled eyes reflect a million unspoken thoughts  
Muzzle of uncertainty blocking your thoughts  
Oh, my child, what is wrong  
Where has your smile gone  
Who stole that innocent laughter  
You were the gift of the future  
Nations champions  
Celebrated bundle of joy  
Mom's sweet celebrations  
Dads' glowing sunshine  
Now you belong to land of pain in the shimmer of red clouds  
Playground you found joy surmounted in black ashes  
Friends no more  
The family you once belonged stolen  
Home nowhere to be seen  
Angels of the Lost Paradise  
Searching with nowhere to find new hope  
Still Clinging between the ghostly dust and ashes  
Just with millions of hopes
