### **WORLD SKILLS MALAYSIA BELIA 2024: SHOWCASING EXCELLENCE IN RESTAURANT SERVICE**

**BY: DR. NORHAMIZAN B. HAMIR,  
MOHD SYAFIQ B. OTHMAN &  
NORLIANA BINTI HASHIM**

For the seventh consecutive year, the Faculty of Hotel & Tourism Management at UiTM Cawangan Pulau Pinang Kampus Permatang Pauh is honoured to host the Worldskills Malaysia Belia 2024 competition in the Restaurant Service category. This prestigious event, organised by Jabatan Pembangunan Kemahiran Malaysia runs from August 16th to 18th and highlights the growing talent in Malaysia's hospitality industry.

This year's competition features six skilled contestants from various institutions across the country with four different participants from IKBN Miri Sarawak, and one each from IKBN Bandar Penawar Johor and IKBN Alor Gajah Melaka.

The event promises fierce competition that allows these young talents to showcase their best.

The competition is divided into three days, each focusing on different restaurant service aspects.

On the first day, the contestants demonstrated their individual skills by tackling on fruit preparation, napkin folding, and latte art tasks. A highlight was the mocktail preparation challenge, where participants created original recipes using secret ingredients provided by the judges.

Day 2 shifted the focus to casual dining, where contestants served customers in a relaxed setting, showcasing their proficiency in customer service, food, and beverage skills. This stage of the competition tested their ability to adapt and maintain high service standards in a more informal environment.

The competition culminates on day 3 with the fine dining service challenge. Contestants are required to perform a sophisticated dining room setup, incorporating elements of modified French service and Silver service. This final test assesses not only their technical abilities but also their elegance and finesse in delivering a premium dining experience.

The winner of this rigorous competition will earn the honor of representing Malaysia at the Worldskills ASEAN Competition in the Philippines in 2025. As the event draws to a close, anticipation builds to see which contestant will rise to the top and carry the Malaysian flag to international heights.

Best of luck to all participants as they strive for excellence in their craft!
