SUKAN ANTARA FAKULTI (SAF) FPHP 2024 - "TOGETHER WE ACHIEVE MORE"

**BY: IRINA MOHD AKHIR,
NORAINI RAHIM, FADHLINA MAHAT
& RABIATUL ADAWIYAH ABD RAHMAN**

As FPHP SAF team dive into the exciting journey of Sukan Antara Fakulti (SAF) 2024, our theme, "Together We Achieve More," resonates deeply within the Faculty of Hotel and Tourism Management (FPHP). Under the dedicated leadership of Mr. Dahlan Abdullah, our contingent leader, we have built a dynamic team of managers and coaches who embody the spirit of teamwork and dedication.

Leadership and Team Spirit - Aiming Higher Together to Achieve Triumph in Netball.

Mr. Dahlan as Chief De Mission has not only organized a formidable group of managers but has also inspired each member to become a coach in their own right. This dual role allows us to foster an environment where team spirit thrives. All managers are committed to sacrificing their time and effort beyond their responsibilities as lecturers and UiTM staff, embodying the essence of collective success.

This year, the team ambition is to surpass last year's performance, where FPHP fell just two points shy of the Faculty of Health Science. With expertise in sports, we aim to showcase our talents from a fresh perspective.

Engaging with our students outside the traditional classroom setting not only enhances our rapport but also brings numerous benefits, such as improved communication, camaraderie, and mutual respect.

In the opening phase of the tournament, our hard work has already borne fruit.

The netball teams, managed by our dedicated managers Irina Mohd Akhir and Rabiatal Adawiyah Abd Rahman, with the team spirit of two (2) netball team, brought home a gold medal, continuing the legacy of success from 2022.

This achievement is a testament to the late nights, strategic planning, and the emotional and financial investments made by everyone involved. As one former team member put it, "Together We Achieve More" is not just a slogan; it's our way of life.

The journey towards this success has been filled with countless hours of practice and collaboration. Each manager and coach has played a pivotal role in motivating our athletes, ensuring that every player felt valued and supported.

This commitment is evident in our impressive start to the tournament and sets a promising tone for the challenges ahead, where students and athletes are looking forward for Karisma 2025.

Looking Forward & Closure

As FPHP Team move forward in the tournament, we remain focused on our goal: to inspire each other, perfect our skills, and engineer success. With every match, we are reminded that FPHP strength lies in our unity. from our experiences. Together, we will achieve more!

The enthusiasm and dedication displayed by our teams reflect the heart of FPHP and exemplify what it means to be a part of this vibrant community. Welcoming FPHP community to join us as we continue to strive for excellence, celebrating our victories and learning.
