"Kayuhan Kapsul Rentas Cawangan" in Conjunction with the 25th Anniversary Celebration of UiTM

**BY: KHAIRIL ANUAR BIN BAHARI,
PROF MADYA DR JOHANUDIN BIN
L.WAHAB, NORLIZAN BINTI WAHID
& TS. DR. ADI IZHAR CHE ANI**

Universiti Teknologi MARA (UiTM) is making history in 2024 as the university celebrates its 25th anniversary since being established as a public higher education institution on August 26, 1999. To further enliven this celebration, UiTM has organized a program called "Kayuhan Kapsul Rentas Cawangan Sempena 25 Tahun UiTM" (Capsule Cycling Across Branches in Conjunction with UiTM's 25th Anniversary), themed "Towards Environmental Sustainability."

This cycling program involved 30 participants, comprising 12 academic and administrative staff cyclists, including Norlizan Wahid, the sole female participant representing UiTM Pulau Pinang, and 4 student cyclists.

They cycled a distance of 2,000KM across Malaysia, excluding Sabah and Sarawak, over a period of two weeks from June 20 to July 2, 2024.

The symbolic nature of this cycling event is the transportation of a capsule containing the aspirations and hopes of each UiTM campus. This capsule is embedded in a monument that has been constructed and inaugurated during the UiTM 25th Anniversary Gala Night on August 24, 2024.

It symbolizes the dreams and hopes of the management and all UiTM members to see the university continue to excel over the next 25 years.

As a show of support, this program also included special participation from a cycling team from UiTM Pulau Pinang led by Dr. Ts. Adi Izhari Che Ani.

The journey covered a distance of 168 KM and took approximately 7 hours. Upon arrival at UiTM Seri Iskandar, Perak, the participants were warmly welcomed by staff and students who joined in the celebration.
