DEPARTMENT OF PASTRY ARTS - KOLEJ VOKASIONAL WORKSHOP: DRAMATIC OPERA, CHARLOTTE AND ENTREMET PART 2

BY: SITI KHADIJAH ABDULLAH,
NUR SYAHIRA BIBIT,
RABIATUL ADAWIYAH ABD RAHIM,
& ELYSSA MAISARA AHMAD RUSSLIN

The joys of learning are personal, and the joys of sharing knowledge are manifold. Following the training session hosted by the Department of Pastry Arts, we had the pleasure of sharing our experiences with 26 educators under Kolej Vokasional Bakery and Pastry Program, who had gathered from various Kolej Vokasional within Malaysia as far as Langkawi Island and Keningau, Sabah.

The participants arrived at UiTM Permatang Pauh on August 10, 2024, which were warmly welcomed by committee members led by Dr. Nur Hidayah Che Ahmat.

The course began on August 11, 2024 and the four-day course aimed to teach participants how to make delicious entremets and cakes. The training is all-encompassing, covering both theoretical concepts and practical exercises. The participants started the morning with theory classes and continued into the late afternoon with practical classes.

Lecturers from Business Management led the theoretical marketing seminars, while our own Dr. Wan Rusni oversaw the lesson on cake decoration preparation.

The 26 educators were divided into 3 groups, and three facilitators chosen to conduct the classes were Madam Rabiatal Adawiyah, Madam Syahira, and Miss Khadijah. The course taught hands-on products namely Fruit-Based Entremets, Opera Cake and Charlotte Cake. As usual, these cakes had components such as vanilla sponge cake, Jaconde Sponge, lady fingers sponges, blueberry mousse, coffee buttercream, glazes, gelees, and crunchy components.

Throughout the course, the participants showed enthusiasm and dedication to execute the tasks at hand. The gratification for the participants and facilitators alike is seeing the results of the end products.

The participants produced exact replicas demonstrated by the facilitators with a touch of their own creativity and preference. All in all, it was an event that met its objective and left an indelible mark on everyone involved

We are committed to sharing our knowledge and experiences with Kolej Vokasional and other institutions in the future. The beauty of this sharing session lies in the meaningful connections it fosters, bringing together diverse personalities and ideas. As Dr. Arthur Aufderheide said, "all knowledge is connected to all other knowledge. The fun is in making the connections". We celebrate diversity, as it is within this diversity that the spirit of lifelong learning thrives and where we find the inspiration to present the best version of ourselves to our students.
