DEFENSE RESEARCH PROPOSAL SESSION ORGANIZED BY POSTGRADUATE SOCIETY, FACULTY OF HOTEL AND TOURISM MANAGEMENT

**BY: DR. DIAN ASZYANTI ATIRAH MOHD ASRI
& SITI AISYAH BINTI TUMIN**

On 21st and 22nd August 2024, the Postgraduate Society of the Faculty of Hotel and Tourism Management, Universiti Teknologi MARA (UiTM) Cawangan Pulau Pinang, organized a Defense Research Proposal session. Held at Bilik Perdana, the session was conducted in a hybrid format allowing participation both in-person and virtually.

This session served as a platform for postgraduate students to present their research proposals and receive constructive feedback from expert panels. The event featured two PhD candidates and two master's students that are working on research topics that address key issues within the hospitality, tourism and foodservice industry.

The research proposal defense session featured presentations from both PhD and master's students. Each session lasted approximately three hours, with assessors from UiTM Cawangan Puncak Alam, Selangor, renowned for their wisdom and expertise.

Simatupang Devid Trinaldo, an international PhD student from Batam, Indonesia, was among the presenters, along with PhD candidate Mohd Syaifuddin Bin Mohd Alias. At the master's level, presentations were delivered by An-Nur Binti Hashim from the HM750 Master of Science (Hotel Management) program, and Nuradibah Binti Abdul Rahman from the HM752 Master of Science (Foodservice Management) program.

We extend our heartfelt thanks to the assessors for their valuable guidance and constructive feedback, which will greatly assist our candidates in refining their research. Their insights reflect UiTM's commitment to fostering a strong research environment, particularly in the fields of hospitality, tourism, and foodservice management.
