ACKNOWLEDGEMENT

In the name of Allah, the most gracious and most merciful, first of all we would like to thanks to ALLAH S.W.T for his blessing and strength rendered for us to complete this final year project entitle 'Flexile Office Meeting Table (FLOMITA)'.

Specially thanks dedication to En Ahmad Fauzi Bin Othman@Awang, our project advisor and also our head program of Wood Industry who stands behind us and support us in accomplishing this thesis.

We also wanted thanks to our project lecturer, Associate Professor Dr. Jamaludin Bin Kassim, on his useful comments and suggestions. Not forget the entire lecturer in Wood Industry for teaching and gives us knowledge for us during 3 years study in Jengka.

Lovely thanks to our parent and family who gives lot of financial and moral support for us to finish this thesis. Also thanks to our UiTM Pahang Campus Director, Associate Professor Dr. Hj. Hilmi Bin Abdul Rahman who gives use chances to measure his own office table.

Finally to our entire friends for their spirit, support, cooperation, patience, understanding and information especially Safwan and Firdaus who also has the same experience making furniture project like us, very grateful thanks.

ABSTRACT

FLEXIBLE OFFICE MEETING TABLE (FLOMITA)

BY

MOHD SHAFIE BIN ANSAR

MUSTAFA BIN TAHANG

MAY 2009

This study discuss about office table where that bring something different in furniture making industry, especially in Malaysia. This project also present about design that will be bring out the revolution in this sector. The furniture is a flexible table and it is built with prototype measurement and using combination between Medium Density Fiberboard (MDF), plywood and solid wood such as *Shorea spp.* other than that this new furniture has a two function in one of office table. That means, from the personal table we can used with meeting table for discussing. The efficient of this new furniture design will be bring the revolution in world furniture industry. The flexible meeting office table can reduce expenses cost to buying more furniture in office, but it have a high if esthetical value and indirectly the new design in office furniture is look a very special.
