Preface

It is with great pleasure and pride that I present to you Voice of The Soul Volume III: A poetry compilation with the theme of Healing With Poetry. This volume is a testament to the power of words to heal, comfort, and transform. The 200 poems contained within these pages are diverse in theme and style, yet they are united by a common purpose which is to offer relief and insight during times of struggle and to celebrate the flexibility of the human spirit.

As the chief editor, I have had the honour of curating and refining these works, ensuring that each poem resonates with the theme of healing. This journey has been a deeply enriching experience, allowing me to witness the myriad ways in which poets can articulate pain, joy, hope, and recovery. Each contributor has poured their heart and soul into their verses, creating a tapestry of emotions and reflections that will undoubtedly touch every reader.

This compilation would not have been possible without the unwavering support and collaboration of many individuals. I extend my heartfelt gratitude to our dedicated team of editors, who meticulously reviewed each submission, and to the poets whose bravery and creativity have brought this project to life. Special thanks are also due to our publishing team for their hard work in bringing this volume to fruition.

Healing With Poetry is more than just a collection of poems; it is a journey through the human experience, offering a beacon of light for those navigating the darker times. It is my hope that these poems will provide you with the same comfort and inspiration that they have given me.

Thank you for joining us on this journey of healing and self-discovery.

Warm regards, Editor- in - Chief **Sharina Sa'ad**

SI KOPIHOLIC

Oleh: Rohaizan Mat Nashir @ Mohd Nasir

bagi aku secawan kopi itu bermakna rasa darinya juga aromanya seperti mencari arah kebahagiaan bukan hanya sekadar minuman menjiwa dan merasai setiap kenikmatan hidup aku ibarat kopi ada kalanya pahit tapi tidak resah melaluinya tidak pula lelah mengharunginya hangat nya dapat diterima kopi di tangan ini harumnya menghibur hati hari yang baru mulai kesenangan tetap ada kopi dan cerita waktu yang amat menyenangkan

duduklah berteman kopi menikmati segelas kecil yang nyaman berbual bersama teman yang gusar tiada lagi difikiran yang pasti kenangan mahal diabadikan

istimewa kopi yang merasai filosofi cerminan kebersamaan harmoni pada satu hubungan perhatian dan harapan

kata kopi ia terkandung bahagia memberi rasa gembira kepada yang menikmatinya tiada putus asa

di depan kopi aku rasa dihargai tidak memilih siapa yang layak kerana kita ada jiwa yang sama di suatu hari jika tiada kopi itu di sisi maka hilangnya seri kerana ia hadir untuk aku terus berdiri

Translation Si Kopiholic The Kopiholic

for me
a cup of coffee is meaningful
taste of it
the aroma
like finding the direction of happiness
not just a drink
Soul and taste every pleasure
My life is like coffee
There are times when bitter but not restless through it
Not tired of going through it
His warm is acceptable

coffee in this hand it's comforting to the heart. the day is just beginning the pleasure remains coffee and stories It's a very exciting time.

sit with a cup of coffee enjoy a small glass of comfort chat with friends the upset is no longer in mind which is certain expensive memories immortalized

coffee is special who tasted philosophy? Mirror of togetherness Harmony on one relationship attention and hope

coffee said It's contained Happy give a sense of joy to those who enjoy it No despair

in front of coffee I think it's appreciated. don't choose who's eligible because we have the same soul.

One day
if there's no coffee on the side
hence the loss of the draw
Because
he's present for me to keep standing
