

Goreword

It is with great honor and enthusiasm that I write the foreword for Healing With Poetry, a remarkable anthology curated by our esteemed chief editor and featuring 200 poignant poems. This compilation is a testimony to the profound impact that poetry can have on our emotional and psychological well-being.

In anera marked by extraordinary challenges and rapid change, the healing power of poetry offers a unique and necessary relief. Through the verses of these talented poets, we find a sanctuary where words provide tranquillity and understanding, bridging the gap between individual struggles and collective healing.

The Academy of Language Studies is committed to fostering a deeper appreciation for the literary arts and their therapeutic potential. This anthology embodies our mission, showcasing the talent and creativity within our community and beyond. Let us celebrate the success of the VOS III compilation.

I extend my deepest gratitude to all the poets who contributed their work to this collection, to the dedicated editorial team, and to everyone involved in bringing this project to fruition. Your collective efforts have created a work of enduring value and beauty.

May Healing With Poetry inspire, console, and uplift all who read it, reinforcing the timeless truth that through the power of words, we can find healing and hope.

Sincerely,

Azlan Abdul Rahman

Head of the Academy of Language Studies

Preface

It is with great pleasure and pride that I present to you Voice of The Soul Volume III: A poetry compilation with the theme of Healing With Poetry. This volume is a testament to the power of words to heal, comfort, and transform. The 200 poems contained within these pages are diverse in theme and style, yet they are united by a common purpose which is to offer relief and insight during times of struggle and to celebrate the flexibility of the human spirit.

As the chief editor, I have had the honour of curating and refining these works, ensuring that each poem resonates with the theme of healing. This journey has been a deeply enriching experience, allowing me to witness the myriad ways in which poets can articulate pain, joy, hope, and recovery. Each contributor has poured their heart and soul into their verses, creating a tapestry of emotions and reflections that will undoubtedly touch every reader.

This compilation would not have been possible without the unwavering support and collaboration of many individuals. I extend my heartfelt gratitude to our dedicated team of editors, who meticulously reviewed each submission, and to the poets whose bravery and creativity have brought this project to life. Special thanks are also due to our publishing team for their hard work in bringing this volume to fruition.

Healing With Poetry is more than just a collection of poems; it is a journey through the human experience, offering a beacon of light for those navigating the darker times. It is my hope that these poems will provide you with the same comfort and inspiration that they have given me.

Thank you for joining us on this journey of healing and self-discovery.

Warm regards, Editor- in - Chief **Sharina Sa'ad**

Acknowledgement

The production of this poetry compilation, Healing With Poetry, has been a collaborative journey filled with inspiration, support, and dedication. I would like to extend my heartfelt gratitude to everyone who has contributed to bringing this project to life.

First and foremost, I thank all the poets who shared their heartfelt words and personal experiences. Your courage and creativity have provided the essence of this collection, transforming pain and healing into powerful verses. I would also like to acknowledge the contributions of the editorial team. Your meticulous attention to detail and dedication to excellence have ensured the highest quality for this collection. Thank you for your hard work and commitment.

To the designers and artists, your creative talents have given this compilation a visual identity that complements and enhances the written word. Thank you for bringing the poetry to life through your beautiful designs.

Lastly, I extend my gratitude to all readers. Your engagement with this collection and your appreciation of the healing power of poetry give purpose to this work. May these poems bring solace, reflection, and inspiration to all who read them.

Voice of The Soul Volume III: A compilation of Poems is published today because of you. Congratulations and Thank You, everyone.

Chief Editor

Sharina Sa'ad

"Poetry is a healing balm for the soul, a way to weave our pain and joy into words that speak to our deepest selves."

RELUNG KERINDUAN BONDA

Oleh: Suzi Seroja Sarnin

Terjaring dalam relung hatiku rasa sendu, duka dan pilu melaharkan kesyahduan kerinduan padamu wahai ratuku pada lohong kerinduan tidak bertepi setelah kau pergi lalu patahlah dahan bertaut

Bonda..

rindunya aku pada redup matamu sebening embun pagi ngatanku pada raut wajah setulus sinar mentari terngiang bait-bait lembut ucapanmu terbayang senyuman manis bak bidadari inginku peluk susuk yang teranyam kelongsong kesabaran

Tiada lagi ibu memeluk tatkala aku jatuh tiada lagi guru yang meronakan budi dan ilmu tugas dipundakmu kau tuntas dengan selautan keikhlasan kini, semuanya hanya kenangan kau telah pergi menemui sang kekasih-Mu hanya sepi membungkam sanubariku

Ya Rabb..

kegelapan malam berteman kesunyian
di atas sejadah usang kuangkat tangan penuh harapan
oh Tuhan...sayangilah bonda seperti dia sayangi aku
bergembiralah bonda di syurga Firdaus
abadilah cintaku padamu bonda
bersama kenangan yang tak akan padam
bersama kerinduan yang tiada penghujung
hanya Jannah menemukan kita

Translation Relung kerinduan Bonda Endless Longing Mother

A lot of sadness, sorrow, and pain in my heart Show my deep love and desire for you, my queen On the endless longing after you left me Then I have no hope

Mother..

I miss your dim eyes as clear as the morning dew
I miss your face as pure as the sun's rays
I remember your kind words
Remember the sweet smile of an angel
I want to hug a body that is woven with a veil of patience

No more mother hugs when I fall
There is no teacher who teaches about virtue and knowledge
You have to carry out your response with sincerity
Now everything is just a memory
You have gone to meet your lover
Just silence around me

Oh God..

The darkness of the night is accompanied by silence
On the old rug I raised my hand full of hope
Oh God.. love my mother like she loves me
Be happy mother in Heaven Firdaus
My love for you is eternal
With memories that will never fade
With endless longing
Only Jannah found us
