TXD463: TEXTILE ILLUSTRATION

Course Name (English)	TEXTILE ILLUSTRATION APPROVED	
Course Code	TXD463	
MQF Credit	2	
Course Description	<p>This syllabus is designed for textile students to learn how to illustrate a thematic textile art by using various textile materials available in the market. Students are required to brainstorm and sketch their ideas in a personal scrap/sketch-book prior to identifying the suitable fabric materials. The emphasis is more on the subject/theme that brings joy, happiness and inspiration. Later, they will research on types of material, colour, texture, motif and weight of the fabric to be used for creative works. They will get involved with a lot of studio activities (i.e: sewing, stitching, sticking) and frequent demonstration, discussion and lectures. All finished textile-works will be presented in a critique session where students are required to participate and interact between one another.</p>	
Transferable Skills	Demonstrate ability to identify and articulate self skills, knowledge and understanding confidently and in a variety of contexts.	
CLO	<p>CLO1 1. Develop their competency in identifying various types of textile arts that used decorative fabrics as their main material. 2. raise and stimulate their creative abilities in creating an innovative 2-Dimensional textile work. It will provide a basic understanding or serve as a foundation for more advance and complex project. 3. Demonstrate proficiency in producing a high quality, creative, original and expressive art work based on theme, colour studies and other design elements. 4. show marked improvement in refinement of drawing and design skills through various medium, techniques and surfaces.</p>
