Preface

It is with great pleasure and pride that I present to you Voice of The Soul Volume III: A poetry compilation with the theme of Healing With Poetry. This volume is a testament to the power of words to heal, comfort, and transform. The 200 poems contained within these pages are diverse in theme and style, yet they are united by a common purpose which is to offer relief and insight during times of struggle and to celebrate the flexibility of the human spirit.

As the chief editor, I have had the honour of curating and refining these works, ensuring that each poem resonates with the theme of healing. This journey has been a deeply enriching experience, allowing me to witness the myriad ways in which poets can articulate pain, joy, hope, and recovery. Each contributor has poured their heart and soul into their verses, creating a tapestry of emotions and reflections that will undoubtedly touch every reader.

This compilation would not have been possible without the unwavering support and collaboration of many individuals. I extend my heartfelt gratitude to our dedicated team of editors, who meticulously reviewed each submission, and to the poets whose bravery and creativity have brought this project to life. Special thanks are also due to our publishing team for their hard work in bringing this volume to fruition.

Healing With Poetry is more than just a collection of poems; it is a journey through the human experience, offering a beacon of light for those navigating the darker times. It is my hope that these poems will provide you with the same comfort and inspiration that they have given me.

Thank you for joining us on this journey of healing and self-discovery.

Warm regards, Editor- in – Chief **Sharina Sa'ad**

KEHIDUPAN YANG ANEH By : Atifah Othman

Hidup ini aneh Bila makin tua, mata makin kelabu dekat Yang jauh makin terang Gamaknya memberitahu aku; hey, start looking at the bigger picture! Mata 2 biji tu dah kurang nampak tapi mata hati makin terang Dulu nampak semua depan mata, sekarang yang tu dah tak nampak sangat tapi nampak dunia yang lebih luas Dulu tenaga lagi banyak. Sekarang, kena pilih apa yang perlu dibuat dek tenaga dan masa yang makin singkat. Aneh hidup ini, ya?

Translation Kehidupan Yang Aneh A Strange Life

Life is strange When you get older, your short distance eyesight gets worse Your long-distance eyesight gets better Probably telling me; hey, start looking at the bigger picture! My short distance eyesight gets worse but my intuition is getting brighter I used to see everything in front of my eyes, now I don't see that much but I see a wider world I used to have a lot of energy. Now, have to choose what needs to be done with less energy and time. Life is strange, isn't it?
