

# "UiTM Sarawak Alumni Secure TUBE Grant to Fuel Entrepreneurial Ventures"

Samarahan Kota Sarawak: Two UiTM Sarawak Branch graduates have reached a significant milestone by obtaining the Tunas Usahawan Belia Bumiputera (TUBE) award from SME Corp. This scholarship was awarded to Marzukhin bin Aking, a 2019 graduate of the Faculty of Applied Science, and Farihan Ismail, a graduate of the Faculty of Hotel and Tourism Management with a certificate in Tourism Management.

SME Corp's TUBE programme seeks to encourage and enable young people to pursue their dreams of becoming entrepreneurs. The programme fosters active participation in business endeavours among Bumiputera adolescents aged 18 to 30. Priority is given to individuals who have a basic skills certificate from a local training institution or skills centre.

YB Dato' Sri Haji Wan Junaidi bin Tuanku Jaafar, Minister of Entrepreneur Development & Cooperatives, presented a symbolic cheque to the deserving recipients during the Closing Ceremony of the Youth Bumiputera Entrepreneur Budding Programme (TUBE) 7.0 and the Exchange of Memorandum of Understanding with Serba Dinamik in Kota Samarahan on 29 August 2020.

This accomplishment exemplifies the entrepreneurial drive and commercial ability of these UiTM Sarawak graduates. It acts as an encouragement to other young people who want to start their own businesses. The funding will surely give Marzukhin and Farihan with the required assistance to launch their businesses and contribute to the region's economic progress.
