

"UiTM Celebrates 63 Years of Excellence, Producing Impactful Graduates"

KOTA SAMARAHAN: Since its inception 63 years ago, Univesititi Teknologi Mara (UiTM) has maintained its status as a prominent higher education institution (IPT) in the country. Throughout that time, the institution sucessfully generated over 800,000 graduates in diverse professions who made significant contributions to the country's progress and people's socioeconomic well being. Tan Sri Zarinah Anwar, Pro Chancellor of UiTM, stated, "Based on this achievement, this institution is committed to continuing to strive to produce highly skilled graduates to meet the job market". UiTM is now ranked 13th in the QS Asia University Ranking 2019, up 21 places from last year.

"This is line with the results of the QS Graduate Employability Ranking 2019, with UiTM being in the fourth best position in Malaysia for graduate employability, further placing UiTM among the 28% of the best universities in Asia," he said. He made the remarks today while attending the 90th Samarahan Campus UiTM Sarawak Branch Convocation Ceremony as well as the Bank Rakyat Debit Card-I Launch of UiTM Sarawak Branch Alumni.

According to Profesor Datuk Dr. Jamil Hamali, international recognition demonstrates that UiTM graduates' marketability is enhanced by their high level of academic performance. "We hope that UiTM graduated will be role models in whatever field they pursue. In order to serve the community, encourage in yourself the values of integrity, honesty, and respects for others", he stated.
