

## Let's Go Green Program: 3R (Reduce. Reuse. Recycle) Co-organized by UiTM Sarawak and Majlis Perbandaran Kota Samarahan

The Let's Go Green: 3R (Reduce. Reuse. Recycle) program jointly organized by the UiTM Sarawak Curriculum Unit and Majlis Perbandaran Kota Samarahan (MPKS) was organized at the Dewan Jubli of UiTM Sarawak, Samarahan Campus on 17 June 2023. This program was attended by 100 people from the community around Kota Samarahan and 300 students from UiTM Sarawak. This program also got cooperation from the Sarawak State Environment Department and the Sarawak Natural Resources and Environment Board (NREB).

This program saw the Chairman of MPKS officiating the closing ceremony, UiTM Sarawak represented by YBhg. Prof. Associate Dr. Hasmah Mohidin represented the Rector of UiTM Sarawak. Also present together is Dr. Azlina Single; UiTM Sarawak Community Network Coordinator, Mr. Mirwan Bin Abdul Karim; MPKS Acting Secretary, Miss Izyan Farhana Binti Zulkarnain and Mr. Abdul Hafiz Abdul Khalid; Let's Go Green Program Coordinator and MPKS Council Members.

The Let's Go Green Program is a Community Service Program under the Service Learning Program Malaysia - University for Society (SULAM) and has been implemented to raise awareness among the community, male and female students about the importance of protecting the environment. Apart from that, the participants were also trained to create innovative products from recycled materials such as plastic, paper, glass and so on. This can improve the knowledge and skills of the participants. This also coincides with 3 of the 17 Sustainable Development Goals (SDG17) highlighted by the United Nations (UN) to be achieved in 2030.
