
AMANAT DATO REKTOR UiTM SARAWAK

BY: SURIANI BT JACK

On 12 April 2023 (Wednesday), the Amanat Rektor ceremony took place at the Samarahan Campus Jubilee Hall (Dewan Jubli). This ceremony is conducted concurrently at Samarahan Campus, Samarahan 2 and Mukah Campus via the Webex application at all three Sarawak campuses. 700 members of the administrative and academic staff attended the ceremony.

Ybhg Dato Rektor presented the accomplishments and milestones of UiTM Sarawak throughout last year's event in this ceremony. The good news is lifted again with the signing of the MOU and MOA, which were of the most accumulated in 2022.

The 50th anniversary of UiTM Sarawak was also announced by Ybhg Dato, along with a number of events to mark the start of the anniversary, which would take place later.

Dato' also shared information regarding the 'Profiling Asset' plan, which aims to make the UiTM Sarawak staff's competence known throughout the world.

Dato also discussed the success of the Erasmus Project, MyRA, the UiTM (BiTCOM) publication, and a number of other successes, including the Drone Piloting Programme, the Certificate of Drafting Plans for the People of Sarawak, the collaboration with JAKIM, the sports skills certificates, the Halal Executive Certificates, commercial projects, the networking community, and the international mobility programme for each faculty.

Ybhg Dato Rektor also provided information about the list of lecturers who had earned Professional Technologists (MBOT) certifications as well as about sports accomplishments both domestically and abroad.

Last but not the least, Ybhg Dato also discussed the **six (6) pillars necessary to accomplish Malaysia Madani** :

1. Increase the marketability of students on a global scale. Making UiTM Sarawak a desirable institution of higher learning for international students (RoZIAH Janor., 2023) In order to reach the global market, we need to collaborate.

2. Increasing the marketability of non-academic staff at the world level.

3. Increasing the global marketability of executive staff.

4. Forming world class academic staff.

5. Increase the university's active engagement with industry and the community

6. Improvement in terms of alumni participation.
