The meaning of “Nguguoh” ritual to Bidayuh people is interpreted into collage story; Paddy deities are responsible for blessing human on earth with paddy and has been showering the Bidayuh's people with bountiful paddy. It is represented by the mountain, the place where Bidayuh are blessed with abundance food resources. The Bidayuh people invite their ancestors via stream and by reciting mantras and playing musical instrument during Nguguoh ritual as celebration in showing their gratitude.
