ABSTRACT

Industrial training programmed is one of the graduate requirements for all Universiti Teknologi Mara (UiTM) Segamat, Johor students to complete their bachelor program. The main objective of industrial training is to provide student vast exposure to a real industrial environment. Besides that, students will be able to apply the skills that they gained throughout their undergraduate years. In addition, they can enhance their knowledge and abilities that they have at the companies that they attached to. Its expose how the real world do and what I can implement for my study.

ACKNOWLEDGEMENT

Praise to Allah for five (5) months I endure my internship that begins on early February this year till end of June, I finally successfully completed my Industrial training report. For the remaining 5 months more that I have to continue my training in order to complete my course, I pray to Allah hoping my journey is in His bliss. I also would like to extend my thankfulness to the most precious persons in my life, my father and mother for all their moral support, financial support and also to my friends for never ending reminding me to always be honest and responsible during my training here. As for my supervisor from Universiti Teknologi Mara (UiTM), Encik Muhammad Asyraf Bin Wahi Anuar. I thank you for all the reprimand and help as it is very supportive for me in completing my report.

I would like to extend my appreciation to my industrial supervisor, Encik Mohd Harith Bin Ismail for his advices and patiently guiding me through while I working here as a trainee. Not to mention his willingness in giving ideas, opinion and had inspired me a lot by encouraging me to contribute significantly to my job tasks. I had gained lots of experiences along the process to complete the training and this report. Not forgotten for all the staffs working at department of Special Project Unit – SARA 1Malaysia, Permodalan Nasional Berhad (PNB), I very much appreciate for their whole kindness helping, teaching me when I'm working there and gave the permission to use all required equipment and the necessary materials to complete the task given. I am very lucky to have such a helpful colleagues and I never felt left out in any situation.

This was a good chance for internship students like me to learn how the organization managed the company and how we communicated in the right ways among each other. Of course, I had faced lots of difficult matters to finish this report. But, with the meaningful discussions, ideas and commitments that were given from everyone efforts, I managed to complete it. Last but not least, I would like to give my heartiest thanks to my intern-mates Nur Afiqah, Nur Liyana Amira, Yus Nur Ikram, Aiman Putra, Muhammad Amar, Mohd Hafiz and Masitah Mokhtar for their continuous advices and patience towards me to complete my industrial training programmed.
