Preface

It is with great pleasure and pride that I present to you Voice of The Soul Volume III: A poetry compilation with the theme of Healing With Poetry. This volume is a testament to the power of words to heal, comfort, and transform. The 200 poems contained within these pages are diverse in theme and style, yet they are united by a common purpose which is to offer relief and insight during times of struggle and to celebrate the flexibility of the human spirit.

As the chief editor, I have had the honour of curating and refining these works, ensuring that each poem resonates with the theme of healing. This journey has been a deeply enriching experience, allowing me to witness the myriad ways in which poets can articulate pain, joy, hope, and recovery. Each contributor has poured their heart and soul into their verses, creating a tapestry of emotions and reflections that will undoubtedly touch every reader.

This compilation would not have been possible without the unwavering support and collaboration of many individuals. I extend my heartfelt gratitude to our dedicated team of editors, who meticulously reviewed each submission, and to the poets whose bravery and creativity have brought this project to life. Special thanks are also due to our publishing team for their hard work in bringing this volume to fruition.

Healing With Poetry is more than just a collection of poems; it is a journey through the human experience, offering a beacon of light for those navigating the darker times. It is my hope that these poems will provide you with the same comfort and inspiration that they have given me.

Thank you for joining us on this journey of healing and self-discovery.

Warm regards, Editor- in – Chief **Sharina Sa'ad**

KURNIAAN TUHAN Oleh : Siti Zafrina binti Mohd Zahari

Kurniaan Tuhan kepada insan... Sukar diterjemah secara hakiki Adakalanya pahit menjadi manis Adakalanya manis menjadi pahit Namun itu semua tafsiran manusiawi Yang mempunyai kelemahan yang tersendiri

Kurniaan Tuhan kepada insan... Datang dan pergi tanpa disedari Beroleh rezeki dan juga nikmat Menjadi penawar ketika duka Menjadi teman ketika lara Mengisi ruang kelompongan hidup Menagih simpati Maha Pemberi Yang Maha Mendengar lagi Maha Mengetahui

Kurniaan Tuhan kepada insan... Apabila dihebah seluas alam Diulang siar tanda takzim Pujian dan sanjungan datang berselang Kejian dan sindiran silih berganti Pilu dan hampa di sanubari Akibat dengkian nafsu syaitani

Kurniaan Tuhan kepada insan... Sedikit dan banyak bukanlah persoalan Putih dan hitam bukanlah ukuran Namun natijah menjadi sandaran Merenung hikmah yang tersirat Daripada Pencipta Yang Maha Pemberi Itulah Allah Rabbul Izzati

Translation Kurnian Tuhan God's Gift

God's gift to human... It is difficult to translate literally Sometimes bitter becomes sweet Sometimes sweet become bitter But that's all human interpretation Which has its own weaknesses

God's gift to human... Come and go unnoticed Earn sustenance and favors Be a cure when sad Be a friend when sick Filling the void of life Seek the sympathy of the Almighty The All-Hearing and All-Knowing

God's gift to human... When widely publicized Reposted as a sign of greatness Praise and flattery came intermittently Abomination and sarcasm alternate Pain and emptiness in the heart As a result of satanic lust envy

God's gift to human...

Little and much is not the question White and black are not measurements But the result is a backup Reflect on the hidden wisdom From the Almighty Creator That is Allah Almighty
