MANAGEMENT

4<sup>th</sup> FEBRUARY 2015 – 30<sup>th</sup> JUNE 2015

# ABSTRACT

*Prime Minister's Department was a general administration that plan, formulating and coordinating all policies and country goals. In addition, PMD also to ensure national security for the implementation of government policies and to provide perfection life of Malaysian's was guaranteed. During undergoing industrial training in the Prime Minister's Department, (under Record Management Section) a lot experience, knowledge and skills that was gained by the intern. Especially in handling and managing Digital Document Management System which was the transformation of record management. Besides, there were many advantages gained by students in record management field undergoing under the section that practice the record transaction such as filing, mail management, handling electronic record and others.*

*Keywords: DDMS, filing, records, record management, Industrial Training*

# **ACKNOWLEDGEMENT**

First of all, I would like to say Alhamdulillah to Allah for giving me strength and health to do this industrial training report until it done. To my family, thanks a lot for providing everything especially moral support and advices that I really need from them. They also encouraged me to complete this task with provide me broadband, laptop, books and all sources which is needed.

To my beloved supervisor, Madam Amirah thanks for guiding and teaching me how to complete this to complete my industrial training. She taught me patiently when I had some difficulties in doing this task.

Last but not least, I also want to thank to all my classmates that always help and teach me when I needed. On the other hand, thanks for cooperation and sharing information with me. In addition, I got a lot of information from online database UiTM, without it I will unable to get such a lot information.
