MANAGEMENT**

**4<sup>TH</sup> FEB 2015 – 30<sup>TH</sup> JUNE 2015**

## **ABSTRACT**

This industrial training report basically tells about what is the core business of Permodalan Nasional Berhad. Besides that, the industrial training period that allocated for one student is five month starting on the 4<sup>th</sup> of February 2015 until 30<sup>th</sup> June 2015. So many experience and knowledge that has been gained throughout the whole period of industrial training. Moreover, a system also has been developed to help the company retrieve information fast, easy and efficient. The learning process is so much different when being placed that the department that don't really relate to record management.

## ACKNOWLEDGEMENT

I would like to thank to Allah swt, for allowing me to complete my internship smoothly. A lot of appreciation for **Permodalan Nasional Berhad (PNB)** for selecting and giving me the opportunity to undergo my internship there.

Obviously, there were many people who had motivated me to keep continue my journey until the final stage of my Bachelor of Science (Hons) Record Management. First of all, I would like to thank to my parents who had been very helpful in terms of motivation, financial support, love and much more because without them I would not make it as far as I am now. Next, I would like to thank to my supervisor, Mr Mohd Noor Azam Kamaludin the Executive of Amanah Saham Nasional Berhad (ASNB) Kuala Lumpur main counter for guiding me throughout the practical period by giving me tips, motivation and encouragement apart from the approvals of my report beforehand.

Not to forget, all staffs of ASNB Kuala Lumpur main counter who had been very helpful yet friendly

towards me throughout the practical period. With their supports, I am totally comfortable working here at the main counter which acts as the main factor for me to perform well in many tasks. From them, I also had gained much knowledge about how the system works and how the real concept of investment works and how to deal with customer regarding investment in this company. This literally brings me into a better understanding about the process of the investment and what exactly the function of this company towards Malaysia.

Besides that, I would also like to thank my supervisor from UITM Mr. Muhammad Asyraf bin Wahi Anuar who have guide me and advise me about so many things during my practical period here at PNB.
